**Chassis Usage Charge:** If CUC is manifested at POL and MSC pool chassis is not used, the CUC charge will be automatically removed once the container has been returned empty. If CUC is not manifested and MSC pool chassis is used, the CUC will be automatically added once the container has been returned. MSC will send the notify party a revised Arrival Notice if the CUC was added or removed in the above scenario. After receiving a revised A/N, if the CUC was paid and is now removed, then it will reflect on the next billing cycle of your account statement showing as an overpayment. At the time of receipt, you may contact your financial representative to further assist with utilizing the credited amount.

**US Customs:** All import shipments are subject to the standard demurrage and delay charges of delays caused by US Customs inspections/holds. MSC USA will not bear any responsibility nor be involved in any action taken by CBP that results in a delay. Administrative fees of \$100 per container are applicable for each issued invoice.
