Remarks :

Please validate the date event and the free time information shown on this notice and expedite next container movement action.

To process demurrage charge payment, please follow the instructions below:

For the New Jersey/New York Terminals and the Pacific Container Terminal (PCT) in Long Beach:

- Please utilize OOCL's online platform Real Time Release (RTR) for payment via the site: <https://rtr.home.oocl.com/login>.
- You may also utilize RTR to request demurrage charges in order to generate an invoice number allowing for offline payment through ACH or wire transfer. Please note that ACH, and wire transactions are dependent on your financial institutions processing time - generally 1-2 business days - could result in payment clearance delay and additional demurrage fees.

For other US locations:

- US East Coast/Gulf (other than New Jersey/New York terminals): send email to IMPEAST@oocl.com.
- US Pacific Northwest: send email to IMPWEST@oocl.com.
- California terminals (except Pacific Container Terminal in Long Beach): Pay direct to provider or their preferred online platform.
- US inland rail destination: Check actual free time information on the respective railroad website and pay demurrage direct to provider or their preferred online platform.

For Canada:

- Eastern Canada: send email to IMPEAST@oocl.com.
- Western Canada: send email to IMPWEST@oocl.com.

Where applicable, we accept payment via PayCargo, CargoSprint, ACH and wire transfer. **OOCL must confirm internally that monies have been received and posted into our system prior to release.**

If any charge dispute, please reach out to NADISPDD@oocl.com.
