total charges, full customs release, and submission of duly endorsed original bill of lading (as required), must be completed prior to cargo release for delivery. Payment should clearly identify the vessel, voyage, and bill of lading number. For door delivery containers, when empty and available for pickup, promptly notify OOCL at <u>SDDMTY@OOCL.COM</u>. Failure to notify OOCL will result in detention charges continuing to accrue until the empty advice is received. For general queries, contact OOCL Customer Service at 1-888-388-6625.
