

## Premier Alliance Announcement

Dear Valued HMM Customer,

HMM Company Limited (HMM), Ocean Network Express (ONE) and Yang Ming Marine Transportation (Yang Ming) are pleased to announce that the three companies will continue to cooperate closely under the new alliance name “Premier Alliance,” effective for five years from February 2025. The plan also includes the newly established slot exchange cooperation with Mediterranean Shipping Company (MSC) in the Asia-Europe Trade lanes.

This strategic and long-standing partnership enables HMM to continue delivering reliable and flexible services with expanded global coverage, ensuring enhanced value and seamless operations for our customers.

The cooperation is comprised of mainline services across the major East-West Tradelines: Asia – North America West Coast, Asia – North America East Coast, Asia – Mediterranean, Asia – North Europe, and Asia – Middle East.

With this, HMM is pleased to announce 2025 Service Network for East-West Trade, i.e. Transpacific, Asia – Europe and Middle East Trade, which would be effective from February 2025. In response to changes in the market environment, HMM aims to offer a broader global network with increased coverage, frequency, and reliability through close cooperation with 'Premier Alliance' and other carriers.

The detailed rotation for each service is as follows;
