Announcement
EB Generator Set Charge

Dear Valued Customers,

Effective from **November 15, 2023**, the Eastbound Generator Set Charge for cargo destined to the USA will be revised as follows:

<Effective Date>: 15th November, 2023

=Old=

In the United States of America, carrier is permitted to provide either a generator set or a chassis with generator set attached, for active reefer cargo shipments only, subject to an additional charge of USD250 per set.

=New=

Carrier shall not be under any obligation to provide a genset for any and all shipments However, in the United States of America, upon Merchant's request, carrier is permitted to provide either a generator set or a chassis with generator set attached, for active reefer cargo shipments only, subject to availability and subject to a prepaid charge (GENS) of USD250 per set, for up to 3 days.

For a generator set that is returned after 3 days, there will be an additional charge (GEN2) of USD 75 per day.

Should you have any questions, please contact your local sales representatives or contact customer service at 1-866-4-WANHAI.

Thank you for choosing Wan Hai Lines.
We appreciate your business.
