

CUSTOMER ADVISORY

Dear Customer,

Please take note of the announcement below:

FEES UPDATES

Effective Date February 1st, 2025

In our continuous effort to provide you with enhanced transparency in regard to fees application and deadlines, effective February 1st, 2025, we will be introducing a new **Bill of Lading Amendment Fee**. This new fee will replace our current Manifest Corrector fee.

USD 75 Bill of Lading Amendment Fee will be applicable for every correction request made by the merchant to the carrier to amend the USA export Bill of Lading after the vessel has sailed.

Requests for corrections to bills of lading received before sailing of the vessel, regardless of if the manifest has been transmitted or not, will not be subject to the local Bill of Lading Amendment Fee.

Additionally, effective February 1st, 2025, Mediterranean Shipping Company will adjust following local fees.

- **Telex Release Fee** will be adjusted from \$50 to \$75 per Bill of Lading/request for all export shipments
- **Manual BL Fee** will be adjusted from \$75 to \$100 per Bill of Lading for all export shipments
- **Administrative Fee** will be adjusted from \$100 to \$110 per Bill of Lading/request for all import/export shipments

If you have any questions or concerns regarding this change, please do not hesitate to reach out to our Customer Service team. They are more than happy to assist you with any inquiries you might have.

We thank you for your continuous support.
