Dear Valued Customer,

Thank you for your continued support and choosing Ocean Network Express (ONE) to cater to your needs.

Please be advised that effective April 1, 2023, a new quantum will apply for dry and reefer-as-dry (RAD) export containers past 30 days demurrage at New Jersey/New York (USNYC) terminals. That quantum is set at \$400. On the import side, the 30 days+ quantum is updated to reflect \$710 per day.

As usual, demurrage days are counted after free time has expired. The following changes (highlighted) will apply across all trade lanes.
