SERVICE UPDATES: East Coast Rail Road Transition

Dear Valued ONE Customers,

To improve operations, Ocean Network Express (ONE) is transitioning to a new railroad vendor for select routes to and from the United States East Coast (USEC). Except for proprietary lanes, all volume via New York and Memphis volume via Savannah and Charleston will be routed on CSX. Other lanes will remain with the incumbent Norfolk Southern.

Please find the Import table indicating the status by estimated date of berthing. The Export table is on page 2.
