Standard Conditions governing this Multimodal Transport Waybill

Definitions

- "Freight Forwarder" means the person/Multimodal Transport Operator who issues this Waybill (SWB) and is named on the face of it and assumes liability for the performance of this contract as a carrier.
- "Merchant" means and includes the Shipper, the Consignor, the Consignee, the Receiver and the Owner of the Goods.
- "Consignor" means the person who concludes this SWB with the Freight Forwarder.
- "Consignee" means the person named in or identifiable as such from this transport contract.
- "Taken in charge" means that the Goods have been handed over to and accepted for carriage by the Freight Forwarder at the place of receipt evidenced in this SWB.
- "Goods" means any property including live animals as well as containers, pallets or similar articles of transport or packaging not supplied by the Freight Forwarder, irrespective of whether such property is to be or is carried on or under deck.

1. Applicability

These conditions shall also apply if the transport as described in this SWB is performed by only one mode of transport.

2. Issuance of this SWB

2.1. By issuance of this SWB the Freight Forwarder

a) undertakes to perform and/or in his own name to procure the performance of the transport, from the place at which the Goods are taken in charge (place of receipt evidenced in this SWB) to the place of delivery designated in this SWB;

b) assumes liability as a carrier as set out in these conditions.

2.2. Subject to the conditions of this SWB the Freight Forwarder shall be responsible for the acts and omissions of his servants or agents acting within the scope of their employment, or any other person of whose services he makes use for the performance of the contract evidenced by this SWB, as if such acts and omissions were his own.

3. Agency

3.1. The Consignor on entering into this transport contract does so not only on his own behalf but also as agent for and on behalf of the Consignee, and warrants to the Freight Forwarder that he has authority so to do.

3.2. This rule shall apply if, and only if, it be necessary by the law applicable to this transport contract so as to enable the Consignee to sue and be sued thereon. The Consignee shall be under no greater liability than he would have been had the transport contract been covered by a bill of lading or similar document of title.

4. Right of control

4.1. Unless the Consignor has exercised his option under clause 4.2. below, he shall be the only party entitled to give the Freight Forwarder instructions in relation to this transport contract. Unless prohibited by the applicable law, he shall be entitled to change the name of the Consignee at any time up to the Consignee claiming delivery of the Goods after arrival at destination, provided he gives the Freight Forwarder reasonable notice in writing, or by some other means acceptable to the Freight Forwarder, thereby undertaking to indemnify the Freight Forwarder against any additional expense caused thereby.

4.2. The Consignor shall have the option, to be exercised not later than upon the receipt of the Goods by the Freight Forwarder, to transfer the right of control to the Consignee. The exercise of this option must be noted on the SWB prior to or at the time of its issue. Where the option has been exercised the Consignee shall have such rights as are referred to in clause 4.1. above and the Consignor shall cease to have such rights.

5. Dangerous Goods and Indemnity

5.1. The Merchant shall comply with rules which are mandatory according to the national law or by reason of international convention, relating to the carriage of Goods of a dangerous nature, and shall in any case inform the Freight Forwarder in writing of the exact nature of the danger before Goods of a dangerous nature are taken in charge by the Freight Forwarder and indicate to him, if need be, the precautions to be taken.

5.2. If the Merchant fails to provide such information and the Freight Forwarder is unaware of the dangerous nature of the Goods and the precautions to be taken and if, at any time, they are deemed to be a hazard to life or property, they may at any place be unloaded, destroyed or rendered harmless, as circumstances may require, without compensation. The Merchant shall indemnify the Freight Forwarder against all loss, damage, liability, or expense arising out of their being taken in charge, or their carriage, or of any service incidental thereto. The burden of proving that the Freight Forwarder knew the exact nature of the danger constituted by the carriage of the said Goods shall rest on the Merchant.

5.3. If any Goods shall become a danger to life or property, they may in like manner be unloaded or landed at any place or destroyed or rendered harmless. If such danger was not caused by the fault and neglect of the Freight Forwarder he shall have no liability and the Merchant shall indemnify him against all loss, damage, liability and expense arising therefrom.

6. Description of Goods and Merchant's Packing and Inspection

6.1. The information in this SWB shall be prima facie evidence of the taking in charge by the Freight Forwarder of the Goods as described by such information unless a contrary indication, such as "shipper's weight, load and count", "shipper-packed container" or similar expressions, has been made in the printed text or superimposed on this SWB.

6.2. The Consignor shall be deemed to have guaranteed to the Freight Forwarder the accuracy, at the time the Goods were taken in charge by the Freight Forwarder, of all particulars relating to the general nature of the Goods, their marks, number, weight, volume and quantity and, if applicable, to the dangerous character of the Goods, as furnished by him or on his behalf for insertion on the SWB.

The Consignor shall indemnify the Freight Forwarder against all loss, damage and expense resulting from any inaccuracy or inadequacy of such particulars.

6.3. The Freight Forwarder shall not be liable for any loss, damage or expense caused by defective or insufficient packing of Goods or by inadequate loading or packing within containers or other transport units when such loading or packing has been performed by the Merchant or on his behalf by a person other than the Freight Forwarder, or by the defect or unsuitability of the containers or other transport units supplied by the Merchant, or if supplied by the Freight Forwarder if a defect or unsuitability of the container or other transport unit would have been apparent upon reasonable inspection by the Merchant. The Merchant shall indemnify the Freight Forwarder against all loss, damage, liability and expense so caused.

6.4. The right of the Freight Forwarder to an indemnity as per clause 6.2. and 6.3. shall in no way limit his liability under this SWB to any person other than the Consignor.

7. Freight Forwarder's Liability

7.1. The responsibility of the Freight Forwarder for the Goods under these conditions covers the period from the time the Freight Forwarder has taken the Goods in his charge to the time of their delivery.

7.2. The Freight Forwarder shall be liable for loss of or damage to the Goods as well as for delay in delivery if the occurrence which caused the loss, damage or delay in delivery took place while the Goods were in his charge, unless the Freight Forwarder proves that no fault or neglect of his own, his servants or agents or any other person referred to in clause 2.2. has caused or contributed to such loss, damage or delay. However, the Freight Forwarder shall only be liable for loss following from delay in delivery if the Consignor has made a declaration of interest in timely delivery which has been accepted by the Freight Forwarder.

7.3. Arrival times are not guaranteed by the Freight Forwarder. However, delay in delivery occurs when the Goods have not been delivered within the time expressly agreed upon or, in the absence of such agreement, within the time which would be reasonable to require of a diligent Freight Forwarder, having regard to the circumstances of the case.

7.4. If the Goods have not been delivered within ninety consecutive days following such date of delivery as determined in clause 7.3., the claimant may, in the absence of evidence to the contrary, treat the Goods as lost.

7.5. When the Freight Forwarder establishes that, in the circumstances of the case, the loss or damage could be attributed to one or more causes or events, specified in a) - e) of the present clause, it shall be presumed that it was so caused, always provided, however, that the claimant shall be entitled to prove that the loss or damage was not, in fact, caused wholly or partly by one or more of such causes or events:

- a) an act or omission of the Merchant, or person other than the Freight Forwarder acting on behalf of the Merchant or from whom the Freight Forwarder took the Goods in charge;
- b) insufficiency or defective condition of the packaging or marks and/or numbers;
- c) handling, loading, stowage or unloading of the Goods by the Merchant or any person acting on behalf of the Merchant;
- d) inherent vice of the Goods;
- e) strike, lockout, stoppage or restraint of labour.

7.6. Defences for carriage by sea or inland waterways

Notwithstanding clauses 7.2., 7.3. and 7.4. the Freight Forwarder shall not be liable for loss, damage or delay in delivery with respect to Goods carried by sea or inland waterways when such loss, damage or delay during such carriage has been caused by:

- a) act, neglect, or default of the master, mariner, pilot or the servants of the carrier in the navigation or in the management of the ship,
- b) fire, unless caused by the actual fault or privity of the carrier, however, always provided that whenever loss or damage has resulted from fire on board a ship, the Freight Forwarder can prove that due diligence has been exercised to make the ship seaworthy at the commencement of the voyage.

8. Paramount Clauses

8.1. These conditions shall only take effect to the extent that they are not contrary to the mandatory provisions of international conventions or national law applicable to the contract evidenced by this SWB.

8.2. The Hague Rules contained in the International Convention for the unification of certain rules relating to Bills of Lading, dated Brussels 25th August 1924, or in those countries where they are already in force the Hague-Visby Rules contained in the Protocol of Brussels, dated 23rd February 1968, as enacted in the country of shipment, shall apply to all carriage of goods by sea and also to the carriage of goods by inland waterways, and such provisions shall apply to all Goods whether carried on deck or under deck.

8.3. The Carriage of Goods by Sea Act of the United States of America (US COGSA) shall apply to the carriage of Goods by sea, whether on deck or under deck, if compulsorily applicable to this SWB or would be applicable but for the Goods being carried on deck in accordance with a statement on this SWB.

9. Limitation of Freight Forwarder's Liability

9.1. Assessment of compensation for loss of or damage to the Goods shall be made by reference to the value of such Goods at the place and time they are delivered to the Consignee or at the place and time when, in accordance with this SWB, they should have been so delivered.

9.2. The value of the Goods shall be determined according to the current commodity exchange price or, if there is no such price, according to the current market price or, if there are no such prices, by reference to the normal value of Goods of the same kind and quality.

9.3. Subject to the provisions of clauses 9.4. to 9.9. inclusive, the Freight Forwarder shall in no event be or become liable for any loss of or damage to the Goods in an amount exceeding the equivalent of 666.67 SDR per package or unit or 2 SDR per kilogramme of gross weight of the Goods lost or damaged, whichever is the higher, unless the nature and value of the Goods shall have been declared by the Consignor and accepted by the Freight Forwarder before the Goods have been taken in his charge, or the ad valorem freight rate paid, and such value is stated in the SWB by him, then such declared value shall be the limit.

9.4. Where a container, pallet or similar article of transport is loaded with more than one package or unit, the packages or other shipping units enumerated in the SWB as packed in such article of transport are deemed packages or shipping units. Except as aforesaid, such article of transport shall be considered the package or unit.

9.5. Notwithstanding the above mentioned provisions, if the transport does not, according to the contract, include carriage of goods by sea or by inland waterways, the liability of the Freight Forwarder shall be limited to an amount not exceeding 8.33 SDR per kilogramme of gross weight of the Goods lost or damaged.

9.6. a) When the loss of or damage to the Goods occurred during one particular stage of the transport, in respect of which an applicable international convention or mandatory national law would have provided another limit of liability if a separate contract of carriage had been made for that particular stage of transport, then the limit of the Freight Forwarder's liability for such loss or damage shall be determined by reference to the provisions of such convention or mandatory national law.

b) Unless the nature and value of the Goods shall have been declared by the Merchant and inserted in this SWB, and the ad valorem freight rate paid, the liability of the Freight Forwarder under US COGSA, where applicable, shall not exceed US\$ 500 per package or, in the case of Goods not shipped in packages, per customary freight unit.

9.7. If the Freight Forwarder is liable in respect of loss following from delay in delivery, or consequential loss or damage to the Goods, the liability of the Freight Forwarder shall be limited to an amount not exceeding the equivalent of twice the freight for the transport under this SWB.

9.8. The aggregate liability of the Freight Forwarder shall not exceed the limits of liability for total loss of the Goods.

9.9. The Freight Forwarder is not entitled to the benefit of the limitation of liability if it is proved that the loss, damage or delay in delivery resulted from a personal act or omission of the Freight Forwarder done with intent to cause such loss, damage or delay, or recklessly and with knowledge that such loss, damage or delay would probably result.

10. Applicability to Actions in Tort

These conditions apply to all claims against the Freight Forwarder relating to the performance of the contract evidenced by this SWB, whether the claim be founded in contract or in tort.

11. Liability of Servants and other Persons

11.1. These conditions apply whenever claims relating to the performance of the contract evidenced by this SWB are made against any servant, agent or other person (including any independent contractor) whose services have been used in order to perform the contract, whether such claims are founded in contract or in tort, and the aggregate liability of the Freight Forwarder and of such servants, agents or other persons shall not exceed the limits in clause 9.

11.2. In entering into this contract as evidenced by this SWB, the Freight Forwarder, to the extent of these provisions, does not only act on his own behalf, but also as agent or trustee for such persons, and such persons shall to this extent be or be deemed to be parties to this contract.

11.3. However, if it is proved that the loss of or such loss or damage to the Goods resulted from a personal act or omission of such a person referred to in clause 11.1., done with intent to cause damage, or recklessly and with knowledge that damage would probably result, such person shall not be entitled to benefit of limitation of liability provided for in clause 9.

11.4. The aggregate of the amounts recoverable from the Freight Forwarder and the persons referred to in clauses 2.2. and 11.1. shall not exceed the limits provided for in these conditions.

12. Method and Route of Transportation

13. Delivery

13.1. Goods shall be deemed to be delivered when they have been handed over or placed at the disposal of the Consignee or his agent in accordance with this SWB or with the law or usage of the particular trade applicable at the place of delivery, or when the Goods have been handed over to any authority or other party to whom, pursuant to the law or regulation applicable at the place of delivery, the Goods must be handed over, or such other place at which the Freight Forwarder is entitled to call upon the Merchant to take delivery.

13.2. 13.4. If at any time the carriage under this SWB is or is likely to be affected by any hindrance or risk of any kind (including piracy) which is not arising from any fault or neglect of the Freight Forwarder or a person referred to in clause 2.2. and which cannot be avoided by the exercise of reasonable endeavour the Freight Forwarder may:

abandon the carriage of the Goods under this SWB and, where reasonably possible, place the Goods or any part of them at the Merchant's disposal at any place which the Freight Forwarder may deem safe and convenient, whereupon delivery shall be deemed to have been made, and the responsibility of the Freight Forwarder in respect of such Goods shall cease.

17. Notice

17.1. Unless notice of loss of or damage to the Goods, specifying the general nature of such loss or damage, is given in writing by the Consignee to the Freight Forwarder when the Goods are delivered to the Consignee in accordance with clause 13, such handling over is prima facie evidence of the delivery by the Freight Forwarder of the Goods as described in this SWB.
