CUSTOMS CLEARANCE

CHASSIS NOTICE

Please note that Hapag-Lloyd does not provide chassis for CY/MH moves. Contact the responsible Hapag-Lloyd office shown on this Arrival Notice for more information.

GENSET NOTICE

As per our new Genset program, we will no longer provide a Genset for merchant haulage shipments which start or end at a port facility in the USA. Should a genset be requested, for shipments between port terminals and local delivery points under Merchant Haulage, and Hapag-Lloyd is able to provide a genset, then an additional fee per genset will be applied, as per local charges defined in RURE-001 036.5. Hapag-Lloyd will make best efforts to provide a genset when requested but it is not under any obligation to provide.

OVERWEIGHT CONTAINERS - INTERMODAL DELIVERIES NOTICE

Overweight Containers may require the use of tri-axle equipment. As there are only a finite amount of this type of equipment available in the USA, delivery delays may result from a lack of available triaxles in your delivery area. We will work to minimize the impact of any storage / demurrage accrued as a result such delays.

OVERWEIGHT CONTAINER NOTICE

It is the sole responsibility of the merchant and it is motor carrier to confirm the cargo weight before taking the cargo on public roads and to ensure that equipment capability, relevant permits and other appropriate measures are taken to provide for safe transport and to comply with all applicable Federal, State and Local laws and regulations relating to on the road weight limitations, including but not limited to the Intermodal Safe Container Act 1992, as Amended. Subject to the terms and conditions of the carrier's applicable tariff. Any costs or charges incurred because of noncompliance with the foregoing shall be for the account of the merchant.
