## US Import Reefer Trade: Genset Surcharge Update (NYC)

Dear ZIM Customer,

As originally published in the ZIM Tariff, we have implemented a \$275 USD genset surcharge per container for the use of a genset on merchant haulage moves for refrigerated container loads destined to the US from all origins.

The surcharge will be invoiced separately to the account of the consignee unless prepaid by shipper, and payment will need to be settled prior to container release at destination.

Please pick up and return UNDERSLUNG CHASSIS at:

C&C Maintenance  
88 Marsh Street  
Port Newark, NJ 07114  
GATE / YARD 1

**\*\* Release number will be full bill of lading (ZIMUXXX000000)**

**Pick up: 7:00 am – 4:30pm – MUST BE ON LINE BY 4:00 PM**

**Return: 7:00 am – 6:00pm – MUST BE ON LINE BY 5:30 PM**

- Chassis with underslung will be provided pretripped and with a full tank of fuel.
- Please come in bobtail.
- Driver is responsible for making sure underslung genset is in working condition and running.

**CHASSIS MUST BE RETURNED WITH FULL TANK AND ON THE SAME DAY THE UNIT RETURNS TO THE TERMINAL**

Should a genset not be required for a shipment, please notify our Customer Service team at 1-866-744-7046, and the charge will not be applied. Should a genset not be used for a shipment, ZIM will not be liable for any damage caused to the cargo for lack of the genset.

We appreciate your business and thank you for choosing ZIM. Please feel free to contact your respective Sales representative or Customer Service for any questions. **ZIM Integrated Shipping Services Ltd.**
